

To make the most of your initial consultation at our showroom, here are some things we suggest you think about beforehand, as well as some helpful items to bring with you. Upon arrival at the Revival House showroom, please park at the front of the building. Come on in and let our front desk team know your designer's name.

### *Things to think about:*

- Aesthetic
- Function
- Budget
- Scope
- Timeline and upcoming events like vacations
- Your desired level of involvement in the project

### *Items to bring along:*

- Design examples
- Pinterest/Houzz inspiration
- Photos of your space
- Blueprints of your space
- All project decision makers should be present
